CORPORATE OVERVIEW

We have been an integral part of the country's development story since 1997, when our company was formed with the specific mandate to build the nation.

Our growth has been driven by the substantial investment requirements of the infrastructure sector in India combined with the growth in the Indian economy over the last several years. Our ability to tap global as well as Indian financial resources makes us the acknowledged experts in infrastructure finance.

At IDFC, our commitment to building India's infrastructure goes beyond business. We work closely with government entities and regulators to advise and assist them in formulating policy and regulatory frameworks that support private investment and public-private partnerships in infrastructure development.
